# E0 334 - Deep Learning for NLP
## Assignment 3
### (due by 18th September, 11:59 PM)

Note: Use the following link for submitting your results of Assignment 3.

`https://forms.office.com/r/62AMjZrZDa`

Based on the list of papers mentioned in the file "PapersForDiscussion.docx", you may like to revisit your solution approaches for solving the problems in Assignments 1 and 2. The aim of this assignment is to develop new approaches or modify your previously used approaches for the two data sets and report your results.
